

StructureTec Event 18 (2FRMADVDAL18) is a coated, double-sided material based on our signature 18 oz. coated formula with the necessary FR treatments to meet NFPA-701 requirements. This product is well known for its durability, pliable feel, resilience to the elements and great strength. This is a universal product intended for tents and temporary structure applications with the additional benefits of an easy-to-clean gloss acrylic lacquer topcoat that is digitally printable.
