

COMPANY OVERVIEW

ABOUT US

Our values-driven business has built a legacy of excellence through unwavering commitment to transparency and integrity. For over 40 years, Value Vinyls has proudly operated as a family-owned business, founded in 1984 in Arlington, Texas by Phil Busch, the father of our current Owner and CEO, Randy Busch. Building on a foundation of transparency and integrity, Phil established a reputation for delivering exceptional value through high-quality vinyl products that met customer expectations. As the business grew, Randy joined his father,

and as customer needs evolved, Value Vinyls expanded its capabilities to include award-winning customer service, product development, and operational teams with a distribution network structured for consistency, reliable lead times, and a smooth path from order to delivery across North America. Today, we are recognized for our unwavering commitment to customer service and dedication to collaboration and innovation.

A CULTURE OF COLLABORATION

At Value Vinyls, our culture is rooted in collaboration, trust, and a deep-seated commitment to our customers. We view success as a collective endeavor, where every contribution is valued and every voice matters. As a relationship-focused company in the textile industry, we understand that trust is essential to our work.

OUR CORE VALUES

“Our company’s success is dependent upon your happiness and success. For over 40 years, we have worked tirelessly to earn the trust of our customer base and employ the most knowledgeable and high service oriented staff. While we do sell a tangible product, it’s our common partnership that makes this work so well.

Whether you have known of us for years or only learning about us now, we can’t wait to learn more about how we can help you work smarter, faster, and more cost effectively.”

Randy Busch
Owner & CEO

OUR PRODUCTS

INDUSTRIAL TEXTILES

Value Vinyls is a pioneer in the realm of industrial textiles. With an extensive range, we serve as a catalyst for businesses across sectors, helping them achieve their goals through versatile and durable fabric solutions. Our unwavering dedication to staying at the forefront of industry trends, coupled with our collaborative approach, makes us the go-to partner for those seeking top-tier industrial textile solutions. No matter what purpose your vinyl will serve, you're in good hands with Value Vinyls.

INDOOR ATHLETICS

We have the perfect vinyl fabrics for everything from school-branded impact padding for your gym walls to workout equipment like punching bags, plyo boxes, and gymnastics mats. Our fabrics are treated to ensure they are durable and exceed all necessary safety requirements, especially for use around children. We meet all necessary lead requirements and carry a range of materials that are treated with Anti-Mildew, Anti-Fungus, Anti-microbial, Anti-bacterial, and UV treatments to ensure the health and safety of our users.

OUTDOOR ATHLETICS

When crafting outdoor athletic equipment, it's especially important that materials be able to withstand not only great physical stress but also adverse weather conditions. We carry a variety of fabrics that stand up under great stress. Our fabrics are also UV and mildew-treated so they won't become damaged or unsafe to use in outdoor conditions. We have products suitable for every application, from ultra high UV resistant coatings for extra durable wall padding to smooth surfaces with a lacquered topcoat for high-slip inflatable slides. Bring your project to Value Vinyls and we'll find the right solution for you.

TRANSPORTATION & LOGISTICS

Our UV and mildew-treated vinyls, perfect for truck tarps and dock seals, are engineered to endure the rigors of the great outdoors and industrial environments. These durable solutions not only provide protection from the elements but also ensure the secure and efficient movement of goods. From safeguarding cargo on trucks with resilient tarps to creating a reliable seal at loading docks with weather-resistant dock seals, Value Vinyls' materials guarantee uninterrupted operations, even in the harshest conditions. Our commitment to quality and innovation means you can depend on our vinyls to keep your logistics moving smoothly and your cargo well-protected.

EXTERIOR SCREENS

Visiontex™ is a market leading premium quality woven mesh, utilizing the latest in heavy gauge polymer coated polyester technology. Visiontex™ is made to Value Vinyls' exacting standards and is designed to give you peace of mind for years of outdoor performance with a 10-year warranty*. Balancing air-flow, privacy, UV protection, and style, we offer multiple openness factors in various colors.

SPECIALTY TEXTILES

Whether it's textiles designed for unique industrial applications, innovative shade solutions, or any other specialized fabric needs, Value Vinyls sets the standard for excellence. Backed by decades of expertise and a dedication to staying at the forefront of industry trends, we consistently deliver textiles that surpass expectations and create exceptional products. When you partner with us for your specialty textile requirements, we offer tailored solutions that meet the highest standards of performance and reliability. With Value Vinyls, you are sure to find what you're looking for.

CUSTOM SOLUTIONS

Can't find the right solution for your textile needs? Our in-house laboratory serves as the epicenter of innovation, where we assess and customize products to craft the perfect solution for you. Whether it's a bespoke project or an entire product line, our flexibility knows no bounds. Collaborating directly with our product development team ensures you receive precisely what you envision. When tackling a custom product development, we can take an idea from analysis to inventory in as little as three months. With Value Vinyls, your vision becomes a reality, and our dedication to providing solutions drives us every step of the way.

PRODUCT DEVELOPMENT

We're here to solve your challenges, from concept to delivery. Our team's expertise and commitment to excellence enable us to provide you with reliable, high-performing solutions that are tailored to your specific needs. From our award-winning customer service team to our highly-experienced operations and product development teams, we're here with you every step of the way.

IN-HOUSE TESTING + RESEARCH AND DEVELOPMENT

We prioritize innovation as an essential aspect of who we are. Value Vinyls is a leader in building a better solution and innovating industrial and structural fabrics. Our state-of-the-art V² Lab offers customers advanced in-house testing, product customization, and a comprehensive product development program. Together with our team's talents and the latest testing equipment, we are committed to quality and superb customer service that sets us apart from our competitors.

PRODUCT CUSTOMIZATION

Value Vinyls is proud to offer full-service product development, customization, and testing at our facility. Our experienced in-house V2 lab team utilizes some of the best equipment to ensure you get the highest quality validation through our testing and evaluation capabilities. We do this to ensure quality control, improve our customer's return on investment, decrease development time, and quick turnaround time. Whether it's a one-off project or a completely new line of products, we offer customization and development of unique products tailored to meet the performance standards for the application and customer requirements.

Our capabilities can be applied to technical fabrics, structure fabrics, and outdoor shade solutions. Coupled with our customization options, this ensures you receive a product that is completely unique to your business.
